

## **Bick Group Leads "Cloud Computing Survivors Guide for Government" Workshop**

*June 10, 2010*

St. Louis, MO — David Linthicum, CTO of Bick Group, will instruct a workshop entitled "The Cloud Computing Survivor's Guide for Government" for The Association for Enterprise Information (AFEI) in Alexandria, VA July 30, 2010. [Visit Website](#)

This is not only a workshop on understanding the current state of cloud computing, it also addresses understanding your own IT requirements which dictate where and how cloud computing could be a fit with your enterprise.
